

7th December 2020

RE: DDD 3 and 4 Schedule

Dear Parents and Carers,

I am writing to remind you that Wednesday 16th and Thursday 17th December 2020 will be our third and fourth drop down days of the year. These days are dedicated to scholars in Years 7-11. Scholars will come off their normal school timetable and participate in activities and workshops which will strengthen their practical application of skills and provide a deeper learning experience. Both days will develop our school values, key career skills, and personally develop each scholar further outside of the academic curriculum.

All workshops and activities being run are within bubbles with all COVID guidelines being adhered to. Scholars will be divided into small groups within their bubbles and in some cases have their form tutors and other members of staff allocated to them.

On Wednesday 16th December, Years 7 – 11 will participate in the following:

| Year | Activity | Where | What do they need to wear and bring? |
|-------------|--|-------------------------------------|--|
| 7 | Ambition & Equalities Day | Onsite at school | Full school uniform and equipment |
| 8 | Humanities Day | Royal Observatory Greenwich Park | Full school uniform and equipment Warm coat, gloves, scarf, packed lunch and a water bottle (scholars who get free school meals will be given a packed lunch) |
| 9 | Debate Mate | Onsite at school | Full school uniform and equipment |
| 10 | House Competition | | |
| 11 | Art/Photography Music Drama Science | Onsite at school | Full school uniform and equipment |

On Thursday 17th December, Years 7 - 11 will participate in the following:

| Year | Activity | Where | What do they need to wear and bring? |
|-------------|--|---|---|
| 7 | Science Day | Onsite at school Science Department | Full school uniform and equipment |
| 8 | SRE Day/Online Safety Day | Onsite at school Pastoral Department | |
| 9 | Maths/STEAM Day | Onsite at school Science Department | |
| 10 | Jack Petchey Day | Onsite at school English Department | |
| 11 | RS Music Computer Science Geography | Onsite at school | Full school uniform and equipment |

We are looking forward to offering this wide variety of opportunities and thank you in advance for ensuring you send your child to school with the right clothing and equipment.

Yours faithfully,

Frida Jackson
