

Equipment

Every scholar at AGFS should have the following equipment with them at all times:

- School Planner
- Eraser
- Glue stick
- Pencil Sharpener
- Black, blue, red & green biro pens
- White board marker
- Pencil(s)
- Ruler
- Maths set
- Spanish or French dictionary (dependant on which subject they are studying)
- Scientific Calculator
- Highlighter
- Personal reading book

A basic equipment shop is open every morning in the school foyer before line up. If your child is missing any one of these items, they will be issued an after-school detention.
