

Re: Extracurricular Clubs

Dear Parents and Carers,

I am extremely excited to be writing to you today regarding the extracurricular clubs that AGFS has to offer. These clubs will commence the week beginning 20th September and will be taking place before school, during lunch time, and after school.

Don't miss out on the fun as clubs are an opportunity to develop important life skills. These are offered on a first-come-first-served basis however, if you don't turn up your place will be given to another scholar on the waiting list. Elite clubs' places will be based on auditions and trials. All clubs are a privilege for scholars to participate in, and thus will only be available to scholars when not serving in detention or academic intervention.

Your son/daughter will have the details of each club explained to them during tutor time and assemblies. Please see an overview of the clubs on offer here:
